

## Mission Statement

We aim to encompass all areas of medicine and to continue to ensure that the highest quality of care is provided to patients everyday.

## Quality Statement

We are a general practice providing a full range of quality medical services to individuals, families and children. Our doctors have each developed a range of special interests in particular areas of medicine, enabling the clinic to provide a wide range of medical skills for the care of all patients.

## Billing Policy

We are a mixed billing practice where by both private and bulk billed services occur. All appointments which involve a procedure must inform reception and request a longer appointment, additional fees may also occur. If you are unsure of the length of your appointment, please consult your Doctor.

## Allied Health & Pathology

Additional charges may occur for services which are referred by the Doctor, please contact the service directly to confirm the cost of fees.

## Complaints & Feedback

Any initial complaints and feedback are welcomed by our Practice Manager.

**Please email us:**
